Subject: Determination of Completeness, Construction and Demolition Landfill (C&DLF) Unit,
Lincoln County C&DLF, Permit No. 55-03, Lincoln County, Document ID No. 5223

Dear Mrs. Rickard:

On July 1, 2008, the Division of Waste Management (the Division) received your permit application for continued of your C&DLF. The report is entitled:

- *Closure and Post-Closure Plan, Lincoln County C&D Landfill – Phase II.* Prepared by: S&ME, Inc., Charlotte, NC. Prepared for: Lincoln County. June 26, 2008. DIN 5080.

The Division has preformed a review of your application for a determination of completeness. Your application has been determined to be complete within the context of NCGS 130A-295.8(e). A determination of completeness means that the application includes required components, but does not mean that the components provide all the information that is required for the division to make a decision on the application. The next step is for the Division to review the submittal for compliance with the rules, 15A NCAC 13B .0547.

Lincoln County is authorized to continue operating the C&DLF Unit in accordance with your most recent Solid Waste Permit and the Solid Waste Management Rules, 15A NCAC 13B.

Should you have any questions regarding this matter you may contact me at (919) 508-8507

Sincerely,

Mingtai Chao, P.E.
Environmental Engineer II
